DISPOSABLE TUBINGS AND BESPOKE EQUIPMENT (MACHINES)

Dotolo Europe Ltd. (Steve and Shamila)

Tel: +44 (0)844 854 92 22

<https://dotoloeurope.com/product/standard-speculum-kit-1-5m/>

The kits are imported from Germany those are the tubing packs I use at the Centre. I prefer them over any other brand because of the outlet tube which is longer and more rigid and allows a comfortable Neutral position as well as a clamp.

International Colon Hydrotherapy Foundation (Jean)

Tel: 0208 669 5155

<http://www.colonic-irrigation-equipment.co.uk/3.htm>

Jean has flanged specula which can be more suitable for some people. You can have a few on stand-by to replace the one that's in your regular packs. The outlet in her packs are very short!

Colonic Supplies (Galina)

Tel: +44 (0) 1628 62 66 11

<https://www.colonicsupplies.online>

Galina has an extensive range of supplies, including gravity fed tank, portable machines similar to the one at the centre, enemas, syringes, implant catheters, plumbing supplies and incontinence pads.

Kingspeed Services

Practitioner Supplies

Tel: 01254 662 585

<http://practitionersupplies.co.uk/colon-hydrotherapy-equipment/125-25litre-colon-hydrotherapy-gravity-tank.html>

When ordering the last stage tubing that connects between gravity tank and inlet pipe from speculum pack make sure to check size to be compatible with your speculum pack inlet. The German (Herman) packs will need a maximum size silicon tube of 8mm.
